WELCOME TO THE CCA WEST COAST WORSHIP CONFERENCE.

We are blessed to have you with us for this much anticipated event. It has been my prayer for this conference to provide opportunity for genuine fellowship amongst worship leaders, tech teams, and anyone with a burden for worship ministry. In a time when worship has become a form of entertainment in many churches across the nation, we are seeking to return to the true foundation of worship. This is why we have chosen the theme, Spirit and Truth, taken from John 4:24.

May you and your worship ministries be refreshed, inspired in creativity, and instructed in God's Word.

Blessings,

Pastor David Rosales

Pastor David Rosales is the Senior Pastor of Calvary Chapel Chino Valley. In December of 1970, David gave his heart to Jesus Christ after attending a Maranatha concert, completely transformed from a life of drug and alcohol abuse. He was ordained in 1979 by the ministry of Calvary Chapel Claremont, and, in 1981, he began what is now Calvary Chapel Chino Valley. Pastor David's ministry extends beyond the Chino Valley through his radio program, A Sure Foundation, and through various teaching opportunities across the country and around the world. Calvary Chapel Chino Valley gathers for regular services on Sundays and Wednesdays and offers Bible studies for men, women, and children throughout the week. He is supported in ministry by his wife Marie, their grown children, and grandchildren.

HOLLAND DAVIS

Holland began to pursue ministry as his passion and became the first worship leader at Calvary Chapel Vista at the age of 16. As a young man, Holland and his wife, Roxie, helped plant several churches in the Southern California and Riverside area, where he also wrote worship songs for the local churches he was involved with. He began teaching and leading worship at conferences around the nation, which led to the fulfillment of a personal dream to work for Maranatha! Music where his platinum-selling song “Let It Rise” was recorded by Paul Baloche. The Lord eventually directed Holland to Calvary Chapel Costa Mesa where he led worship for Pastor Chuck Smith, founded the School of Worship, founded Worship Life Conferences, and relaunched Calvary Chapel Music. With Pastor Chuck Smith’s blessing, Pastor Holland launched Calvary Chapel San Clemente with a small but dedicated team of church planters on February 14, 2010.

WORSHIP LEADERS

JONATHAN MEENK

Jonathan Meenk is the Worship Pastor at Godspeak Calvary Chapel in Newbury Park, California. As a member of the church staff, he oversees the music teams, the audio and visual teams, and produces CC Godspeak's radio program. He enjoys creating and will jump at the chance to do something new and exciting. Jonathan began playing music in church at a young age, and this ultimately led to a career as a producer and guitar player. After sharing the stage with some of today's biggest secular artists, the Lord gave him the desire to return home and serve in ministry. Jonathan is incredibly thankful that God has led him down this road, which at the time didn't make much sense. He came on staff at Godspeak in October of 2013 and loves the church family that the Lord has blessed him with. Jonathan is married to Katie, and together they have two beautiful kids, Daxton and Everly.

KEVIN CLICK

Born and raised in Southern California, yet having a family from the Southern Bible belt, Kevin Click grew up listening to old school Rock-n-Roll, Soul, Gospel and Country music. Raised in the church, Kevin began singing almost from the moment he could speak. At 18 years old, he found himself at a crossroads. Having abandoned his Christian upbringing, he was on a path of self-destruction. That year Jesus met him face to face, and in an instant, all the pain and addiction washed away. God offered forgiveness and he was finally ready to receive it. Kevin has established a career as a solo artist and is passionate about communicating God's truth through his music. Over the span of his career, he has recorded seven albums, including his latest release, "Can't Make a Better Me." Currently, the song "Faithful Father" is featured as the opening theme for Pastor Jack Abeelen's radio program, "Growing in Grace." Kevin resides in Torrance, California with his wife and three children.

MATT HOUSTON

Matt Houston is the worship leader at Calvary Chapel Stone Mountain, just outside of Atlanta, Georgia. He has been leading worship for the last 15 years, and on staff at Calvary Chapel Stone Mountain since 2011 under Pastor Sandy Adams. Matt has always had a passion for music, and as a teen he felt the calling to begin to help lead God's people in worship. He has since been writing and sharing original worship songs within his congregation, and his heart's desire is to see a true stirring in the hearts of God's people as they worship Him. Matt and his wife, Jenny, have been married since 2010, and celebrated the birth of their third child this year.

ALLI TAYLOR

Alli Taylor is a worship leader at Calvary Chapel Stone Mountain, Georgia. She has served on staff at the church for six years, under Pastor Sandy Adams, and has been involved in the worship ministry at Calvary Chapel since the age of 15.
